The Council did not meet in January 2006. Members were invited to attend Leadership Atmore on the Atmore Campus. Those attending were: Ada Adams, Susan McBride, Cornelia Miller, Doug Barnes, and Lee Barrentine.

Lee Barrentine gave an overall view of the college presenting the various programs offered.

Ann Mantel discussed the nursing program from the beginning to current emphasizing that nursing classes are now offered on the Atmore Campus and that enrollment is good.

The group visited the welding, auto body repair, masonry, and computer labs with discussion of programs by respective instructors. One exception was in the welding program where students were given an opportunity to discuss the program.
