We need your input to help JDCC be a better place for student learning. Help us improve our students’ learning experiences by responding to the following three statements.

Item #1: If there are things about JDCC that you would change, what would those changes be?

Item #2: I can become a better learner if someone at JDCC would help me to:

Item #3: What do you know now about succeeding at JDCC that you wish you had known about or realized sooner:

______ I have included additional comments on the back of this page.
