Hispanic Heritage Month

Each year since 1988, Americans have observed National Hispanic Heritage Month by celebrating the histories, cultures, and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean, and Central and South America. The estimated Hispanic population of the U.S. as of July 1, 2005 was 42.7 million (not counting the 3.9 million residents of Puerto Rico), which makes people of Hispanic origin the nation’s largest ethnic minority at 14 percent of the total population. **Lady Warhawks Softball Team**

By: Brandi Deese

The JDCC Softball team has been working on getting the freshmen acquainted with the fast pace of college game play. They have been conditioning and practicing and playing games to evaluate their progress. They are hoping to build on last year’s success both on and off the field. They play at home October 10 at 1:00 and 3:00 against the Tallahassee Bullets. Come out and support our Lady Warhaws!

** JDCC Baseball Fall Season Ongoing**

Jillian Jordan

The JDCC Baseball team is still in the midst of a busy fall schedule. The games they are competing in are helping them to prepare for the spring season, and several outsiders say that the baseball team is getting the practice they need this fall to be successful in the spring. The Warhaws have a lot ahead of them in this fall season, and it is far from over. They will be facing an opponent at least every weekend, with some games away and several games home. Their overall record thus far is 5-9. The team hopes to improve their record, and they plan on doing this by working hard and coming together as a team. The Warhaw’s next game will be on October 6, and they will be facing Faulkner State and Alabama Southern in Montgomery. Their next home game will be Saturday, October 10 against the East Milton All-Stars. Come out and support the team!

**JDCC Basketball Team Prepares for Season**

By Wendi Martin

It’s that time again; JDCC Basketball Season is here! The basketball team is winding down with preseason conditioning. All of the guys have been working extremely hard with shooting drills and lifting weights, but Oct. 1 was the first official day of practice. The guys will be practicing vigorously twice a day for a few weeks, except on Sunday, to prepare for the season opener at Marion. The game will be November 5, at 7 pm at Marion. Coach Gainer says “Although we will be small, I think we will be an exciting team to watch with a fast pace offense and pressing defense. LOTS of points should be scored!” The JD Basketball Team members this year are: Darnell Johnson, Justin Burroughs, Marquis Williams, Damien Jackson, Daryl Jackson, Tra Felder, Tramaine Elliott, Kentrail Brown, DeForest Taite, Jamey Goddin, Corey Redfearm, Brandon McCloud, Logan Campbell, Dennis Miller, and Antron Holt. The first home game will be on November 12 at 7 PM with Pensacola Christian. Go Warhawks!

**Student Support Services Update: Workshops Offer Good Advice!**

By Cynthia Bowers

On September 9, Ms. Shantay Williams, a transfer advisor here at JDCC, conducted a workshop entitled “Transferring Made Easy.” In order to transfer to a four year College or University, you must maintain at least a 2.0 GPA. Extras make your application stand out; try to get involved on campus. Being a member of an Honor Society or Student Government or volunteering are great ways to be involved. There will be a College Fair on October 22, 2009 in the Gym. All students that plan to transfer are encouraged to attend. In the workshop on September 23, entitled “Staying on Task: Preparing for Midterms,” Dr. Marilyn Nicholson spoke about the importance of being organized, scheduling and taking care of yourself. To prepare, the most important things you can do are read and read some more, then study, study and study. On the night before a test, try to get at least three hours of sleep. Eat a good breakfast the morning of the test. Show up at the test site on time and prepared. Once there, take a couple of deep breaths to help you relax and think positively. On the test, pace yourself, do not rush. It is all right if you are the last one to finish; you want to do the best you can and this means taking your time. The next workshops are scheduled for October 7, 2009 “Economic and Financial Literacy” and on October 21, 2009 “Study Groups.” Workshops are held in Wallace 111.

**JDCC Honors Program Sells Pink Ribbons for Relay for Life**

By Tyler Parker

October is the month to celebrate breast cancer awareness. The Honors Program will be selling Pink Ribbons for Relay for Life. Ribbons may be purchased in the Student Center every Friday in October. The ribbons will be sold for $1.00. Please help support JDCC’s Relay for Life Team. Every purchase helps in the fight against cancer! And, Dr. Gill says, DON’T THROW YOUR RIBBONS AWAY! At the end of the month, please write your name or the name of a friend or family member who has battled cancer. If you return the ribbons on Friday, October 30, (we’ll be in the student center) we will add the ribbon to our ribbon skirt that will accompany us to Relay for Life in May. We will walk the track with the ribbon skirt so that if you (or your loved one) can’t be there, we can walk for you! You may also buy ribbons, write your loved one’s name on the ribbon and give it back to us, and we will make sure it gets pinned to the skirt! Thanks again for your support!
