By Don Stoop

On Dec. 21, JDCC’s Google will be up and running. Mr. Anthony Hardy and his tech dept. have put a lot of time and work into ensuring it will be a seamless transition. JDCC staff and students will even be keeping their current email addresses. The new system will offer 7 gb of storage, which is 35 times the current available space offered with Scalix. One huge advantage to this new system is that students will be able to access their email accounts even if JDCC’s website is down, and cell phone email support will also be available. Mr. Hardy, who is extremely excited about the new system, says, “This is Really, Really, good for students!” Students will be able to access all available Google apps, and the calendar function will send messages to all cell phones, not just smart phones. Plus, Google chat instant messaging will be available to all Google subscribers. This also benefits the school as it is free to the college, saving just over $1200 a year, which is added back into the budget to help fund other projects. These are not the only things Mr. Hardy has in store for us at JDCC. Starting in the spring term, all labs will be equipped with Windows 7. Also, all labs will require students to enter their user names and passwords when printing documents. This system will prevent accidental multiple document prints and in turn will save the school money in paper and ink usage. These savings will be passed on to the students, as the library will no longer charge students to print their work. These updates will be made to both the

Many JDCC students, faculty, and staff were on hand November 20 to help at the Bark for Life event held in Brewton at Burnt Corn Creek Park. Sponsored by East Escambia Relay for Life, this walking event was held for dogs and their owners to raise funds for the American Cancer Society. Among the vendor booths were JDCC Instructor Lisa Pace-Hardy’s dog treats from Two Dogs and a Bone and JDCC’s Honors Program’s Face Painting Team. Relay Chairwoman and JDCC Instructor Sharon Peacock was kept busy keeping all the activities running smoothly. Some of these included a trick competition, a musical sit, a fashion parade, and the popular “Bone Drop.” Item donations were also accepted for the local Humane Society. A great time was had by all, including many cute four-legged “best friends.” The event raised about $1600 for the American Cancer Society. The community appreciates JDCC’s involvement in Relay for Life!
PTK Wraps up a Successful Year and Makes Plans for the Year Ahead

By: Bobbi Jo Nelson

JDCC Phi Theta Kappa is closing the books on a successful year and opening the books on another good year to come. The Honors in Action Project, “Buy Brewton, Buy Local,” is coming to a close. PTK started the project by connecting students to local businesses through discounts, continued the project with an online showcase, and ended the project by helping with Brewton’s Holiday Kickoff. All of these projects turned out to be a huge success. JDCC Phi Theta Kappa would like to thank all of those who helped make this project a success. Phi Theta Kappa also held two successful fundraisers during the month of November. “Dinner with PTK” at David’s Catfish produced over $1,000 in funds for PTK. The annual Priester’s Pecans fundraiser was also very successful. Again, PTK appreciates those who helped make these fundraisers a success. In January, PTK will write its annual hallmarks and hold a fundraiser for Relay for Life. JDCC PTK encourages all students to support Relay for Life. Anyone interested in joining the JDCC Relay for Life Team should see Bobbi Jo Nelson or Sharon Peacock.

November is Native American Heritage Month

In celebration of Native American Heritage, the library hosted an exhibit, which was on loan from the tribal museum of the Poarch Band of Creek Indians. The display included a number of cultural artifacts such as rattles, drums, baskets, pottery, and so forth. We hope you stopped to see the exhibit and learn more about the important contributions of Native Americans.

Cash Course Flip Phone Winner!

Ms. Stasha Montgomery is the winner of the contest sponsored by the National Endowment for Financial Education (NEFE) for a FLIP video camera. In an effort to promote awareness and use of JDCC’s CashCourse website, students were encouraged to complete the CashCourse quiz online and correctly answer at least 8 of the 10 questions presented. The names of the students who met this criteria were then entered into a drawing for the FLIP video prize. Thank you for your support and participation. Please continue to utilize CashCourse on the JDCC website for financial aid and literacy information.

Honors Program Continues Relay for Life Fundraisers and Plans Annual Fall Trip

By Thad Evans

Members of the Honors Program have been very successful in their efforts to help raise funds for the JDCC Relay for Life Team. The Honors Program Face Painting Team has been very active over the past few weeks. They painted Christmas themed designs at the Holiday Kickoff event held in the downtown Brewton area on November 18. They also painted animal themed designs at the Bark for Life event at Burnt Corn Creek Park on November 20. The Honors Program Face Painting Team’s efforts and contributions to the JDCC Relay for Life Team have been outstanding. Many members have also been involved in the many painting parties being held as Relay fundraisers. In addition to painting, the members of Honors Program have been actively planning their annual fall trip. Last year, the Honors Program traveled to New Orleans where they went to the zoo and the aquarium and enjoyed a haunted history tour. This year, the Honors Program will be traveling to Atlanta. Activities planned for the trip include a visit to the Georgia Aquarium, the World of Coke Museum, and the CNN Center. If this year’s fall trip is anything like last year’s, the trip will be a success.
## SSS Fall Wrap Up

By Cynthia Bowers

As the fall 2010 term comes to an end, Student Support Services, through informative workshops, has given students many helpful tools for a successful college career. Time management, organization, and staying prepared are vital assets for any student to acquire. As we move into finals, utilize these assets and excel on your finals. Remember to eat a good breakfast and take a deep breath in order to ease anxiety. November workshop topics were Registration and Financial Aid. Thank you Ms. Sessions and Ms. Kyles for taking the time to put the workshops together. Handouts from this workshop are available in the Financial Aid Office in the Wallace building. The final workshop was a diversity workshop where members watched Freedom Writers an excellent film that shows that positive change is possible and is up to everyone! With members of SSS graduating there are openings for membership. Please contact Dr. Beth Billy or Ms. Joy Elliott if you are interested in joining SSS. If you are planning to transfer in the fall of 2011, it is not too early to apply for admission. Please contact Ms. Anita McCreary, transfer advisor, for an appointment at 809-1514 or stop by her office at Wallace 115. Good luck with finals, and we hope to see you next term. Happy Holidays!

### JDCC FCS Supports a Great Cause and Listens to Great Speakers

By: Thad Evans

JDCC Fellowship of Christian Students wrapped up their Operation Christmas Child Shoebox drive on November 12. A total of 13 boxes were packed and sent to the local Operation Christmas Child Shoebox Drop-Off Location at Southern Pine Electric Cooperative. Each of these 13 gift-filled boxes will be shipped across the globe to a needy child at Christmas. JDCC FCS would like to thank everyone who participated in the shoebox drive. JDCC FCS has also had the opportunity to listen to some great speakers over the few months. Pastor Michael Upkins of the Church of the Living God in Cantonment, Florida spoke to students and expressed great interest in the efforts of FCS. In addition, Brian McConnell of Mobile spoke to the students a few weeks ago. Mr. McConnell inspired and peaked the interest of those in attendance at the meeting; he even brought lunch for two lucky individuals. FCS would like to thank both of these speakers for their efforts. Don’t miss out on what is happening at FCS! Great events and speakers are yet to come. Make plans to attend the next FCS meeting. Meetings are held each Wednesday at 10:50 in the Neal Building upstairs in classroom 2. Come join us!
